WORK EXPERIENCE

Freelance Web & Graphic Designer — July 2024 – Present

- Developed and launched a personal portfolio website using HTML, CSS, and JavaScript.
- Designed logos, banners, and posters using Canva and Figma for academic and creative use.
- Built a 20-page tourism site showcasing attractions and responsive layouts.

PROJECTS

Tourism Website – Hyderabad

- Created a mobile-friendly 20-page site using HTML, CSS, and Bootstrap.
- Structured content for culture, restaurants, and attractions.
- Hosted on GitHub Pages: [View Site](#)

Portfolio Website

- Developed a live site to showcase skills, projects, and resume.
- Employed responsive design and hosted it on GitHub Pages.

Gaming Galaxy – Genre-Based Game Website

- Designed a multi-page gaming website with themed genre pages like Action, RPG, Horror, Puzzle, and Strategy.
- Used custom HTML, CSS, Bootstrap, and hover effects to match gaming aesthetics.

- Included features like game cards, image sliders, timelines, interactive sections, and fully responsive layout.
- Hosted on GitHub Pages: [View Site](#)

Poster & Logo Design

- Created modern, vibrant posters and logos in Canva/Figma.
- Used visual hierarchy and branding consistency principles.
